Your Excellency,

**NOTIFICATION OF MY 70TH BIRTHDAY CELEBRATION AND PUBLIC PRESENTATION
OF THE BOOK: "MEMOIRS OF A PHARMACY REGULATOR: AHMED TIJJANI MORA"
WEDNESDAY, 13TH MAY, 2026 - KADUNA.**

I trust this letter finds Your Excellency in good health and high spirits. With profound gratitude to Almighty Allah (SWT), I wish to inform Your Excellency that, In Sha Allah, I shall attain the age of seventy (70) years on Wednesday, 13th May, 2026.

I graduated as a Pharmacist from the Faculty of Pharmaceutical Sciences, Ahmadu Bello University (ABU), Zaria in 1978. By Allah's special grace, I am today a Professor of Clinical Pharmacy and Pharmacy Practice. Over the past fifty-one (51) cumulative years (1986–date), I have had the privilege of teaching pharmacy students at Ahmadu Bello University (ABU), Zaria; Kaduna State University (KASU); and Igbinedion University, Okada (IUO), Edo State—covering Federal, State, and Private universities respectively.

Out of the thousands of students I have taught and mentored during these years, a group has graciously constituted itself into “The Prof. A. T. Mora, OON, mni Book Project Committee.” Their mission is to produce a book titled “Memoirs of a Pharmacy Regulator: Ahmed Tijjani Mora”, which documents my contributions to Nigeria’s pharmaceutical regulatory landscape. This publication chronicles my service in the defunct Pharmacists Board of Nigeria (PBN), the Pharmacists Council of Nigeria (PCN), and the Pharmacy Council of Nigeria (PCN) between 1989 and 2022, where I served at different times as Board Member, Registrar/CEO, and Chairman of the Governing Council.

My home state, Kaduna, has played a pivotal role in shaping my professional journey.
