SOKOTO CALIPHATE DELIVERED TO THE MEMBERS OF THE
COMMITTEE ON THE OCCASION OF THE FIFTH (5th) MEETING
ON SATURDAY, 5th JULY, 2025 IN THE BOARDROOM OF THE
FACULTY OF PHARMACEUTICAL SCIENCES, BAYERO
UNIVERSITY, KANO (BUK), KANO, OLD SITE.**

Protocol.

It is my pleasure to welcome members of the 'Committee on Flagbearers of the Sokoto Caliphate' to the fifth meeting holding here in the Faculty of Pharmaceutical Sciences, Bayero University, Kano (BUK),Kano.

I thank to thank the members of the Committee for their support and especially their sacrifices in attending the meetings putting aside all personal and official engagements.

We first met on Saturday, 12th March, 2023 as a Committee in the old building of the Faculty of Pharmaceutical Sciences, here in BUK. The Faculty, as can be seen has moved to this new and we'll furnished buildings. It is now three years and some weeks since we first met. However, we have not met for quite sometimes. This is not unconnected with the fact that we engaged some scholars in the History department of this University to assist with the edition of the manuscripts received so far and which were presented and 'cleared' by the Committee.

We will have an opportunity to see the edited version of the earlier submitted manuscripts.

- (2) This meeting was deliberately meant to be for two days ,today and tomorrow. The purpose is undoubtedly to complete the assignment and take a final look at the edited work.

However, if we are not able to conclude today, we may have to continue tomorrow (Sunday).

To summarise the areas of emphasis during the meeting, we may wish to consider the following to guide us:

- (a) Deliberate on the edited version of the work given out;
- (b) Discuss on what to do in the case of those Emirates that did not send any manuscripts, and
- (c) Consider the following drafts for possible approval.
 - (i) Text of the draft Foreword by H.E the Sultan of Sokoto;
 - (ii) Text of the Preface by Prof. Ahmed Tijjani Mora;
 - (iii) Text of the Introduction by Dr. Ibrahim Ado Kurawa;
 - (iv) Text of the Acknowledgments by Arc. Bashir Hussaini Adamu.
- (3) The Committee to equally consider the Appendix as presented by myself some years ago.

The design of the cover page of the proposed book may also be discussed.

The choice of the publishers and mode of public presentation and book launch once copies of the book have been produced to be discussed as well.

- (4) With these few words, it is once again my pleasure to welcome all the members to the meeting.

We pray for Almighty Allah (SwT) to guide and protect us all, ameen.

Alhamdulillah.
